“Focus on the Family & Youth Conference” BRAZIL 2017 July 16-25, 2017

Greetings Friends,

This trip integrates the “Youth Transformation” and “Focus on the Family” conferences

Brazil is the largest country in South America and the world’s fifth largest country geographically and in terms of population. This vast nation plays host to some of the greatest people on the earth. Brazil’s rich history and passion for God has been challenged by the economic firestorm that hit the entire country. The unfortunate reality of corruption and mismanagement has left the nation reeling and the church adversely impacted. Nevertheless, God continues to show his strength and supremacy over disappointment, chaos, and misguided leadership. We are continuing our efforts to forge ahead with teams who can encourage youth and adults. This combination is reminiscent of how God gifted David in Psalms 78:72:

So he shepherded them according to the integrity of his heart and guided them by the skillfulness of hands.

For more than 10 years we have deployed teams filled with young, young adults and those young at heart who have pushed back the darkness with the light of God’s liberating truth. They have ministered through music, dance, spoken word, preached word and often the release of a Rhema Word. They have worked alongside their contemporaries to distribute clothes, feed the poor, ministered in services that have resulted in thousands coming to know Christ. While this trip is framed for youth and those young at heart, it is open to all who envision an “out of the box experience”. Prepare to be stretched and challenged by this exciting mission undertaking.

Youth can expect to sing and pray in hospitals, prayer-walk, visit families and children in favelas (slums), while facilitating and attending conference classes. Nightly worship services will be an integral part of the youth mission. There is a need for pastors, youth, youth ministers, chaperones, evangelists, praise dancers, Christian rappers, musicians and a host of other gifted people in the body.

Adults will conduct seminars centered on family activity and Shalom’s normal aggressive push to make the King known.

This mission trip will take place **July 16-25, 2017** (there may be a limited number of seats, so it would be wise to reserve your seat now). The total cost of the trip is **\$3,300.00** and the incremental payment schedule is included for those who will commit to this effort to strengthen the walk and lives of people in Brazil. **To experience a bit more of Brazil, an optional side trip to Rio is scheduled for an additional cost. Please call our office for more details.**

We will provide a mandatory four-hour intensive training program (date and location to be determined). Included in the cost is all training, airfare from Washington, DC to Sao Paulo, Brazil and return, taxes, ground transportation, food and housing
