Ghana 2017

“Continuing the March”

May 14 – 23, 2017

Greetings Friends,

The beautiful West African nation of Ghana is filled with a peaceful people who have a God consciousness, even though many are not Christian. For the past four years, the ministry of Shalom has deployed teams in Accra, Kumasi, and the Cape Coast. We have undertaken a variety of ministry thrusts to include pastor’s conferences, leadership training, women’s ministry, and impactful work in schools. This trip will see us building on the work that we have already undertaken while moving northward into the rural part of the nation. The mission will entail evangelism, leadership training, nightly services and a genuine cross-cultural encounter.

We are excited about having an opportunity to share with you the work that God is doing through our ministry partners. We are completing our plans to conduct a dynamic ministry effort to Ghana. This experience in West Africa promises to be life changing for those who will visit the continent for the first time and life fulfilling for those who are participants in pursuing the great commission. The team will visit several cities throughout the nation and bring greetings from the African American church while proclaiming the eternal truths of the bible.

This mission trip will take place **May 14- 23, 2017** (there may be a limited number of seats, so it would be wise to reserve your seat now). The total cost of the trip is **\$3,450.00** and the incremental payment schedule is included for those who will commit to fulfilling “The Great Commission” with Shalom on this trip. We will provide a mandatory four-hour intensive training program (date and location to be determined) to prepare and brief the team on our mission. Included in the cost is all training, airfare from Washington, DC to Ghana and return, taxes, ground transportation, food and housing.

Visas are required for travel to Ghana and the cost of the visa is independent of the overall trip expense. For information regarding online visa application, visa cost, type of payment accepted, etc., please log onto the Ghana Embassy website at www.GhanaEmbassy.org.

This trip promises to be a dynamite start in what we believe will be a mighty move of God in the lives of both the people in Ghana and the missionaries traveling with Shalom. If you would like to participate on this trip, your mission volunteer application form is the first step towards confirming your intent to travel with us. **Please return your completed application with a copy of your passport, two passport size color photographs and your \$500.00 non-refundable deposit.** If you do not have a valid passport, please visit <http://travel.state.gov> to learn how to obtain or renew your passport. In addition, please log onto <http://www.cdc.gov> to get information regarding inoculations you will need to travel, or check with your doctor.

Payments should be made payable to Shalom Outreach, Inc. and mailed to the address above with a notation in the memo section identifying how these funds should be applied (Ghana 2017). If you will be receiving donations for this trip, please have the funds sent directly to Shalom Outreach, Inc., so that your contributor will receive credit for the donation. **Note:** *any tax-deductible contributions made by third parties in excess of the cost of the trip will be sown back into the general operating funds of Shalom Outreach.*

You may adhere to the payment schedule below or establish your own. However, **it is mandatory that the \$500.00 non-refundable deposit be received by March 1, 2017 and a minimum of \$2700.00 by May 1, 2017.**
