KENYA - 2017

“A Medical Mission - A Healing Crusade and Evangelism/Church Planting”

Greetings Friends,

The medical mission that we undertake in Kenya is one of the most unique mission experiences that one will ever experience. Our work takes place on the pristine shores of Mombasa which welcomes the waves of the Indian Ocean. Mombasa is heavily populated with Muslims who are both God fearing and God loving people. Over the past five years, we have been able to service approximately ten thousand people with medical, exams and dentistry. Those services have opened the door for us to equally share an introduction to the “Great Physician”.

The team will hand carry medical supplies, equipment, and clothing, distribute those items at the appointed time and providing free medical and dental care and distributing medication. We will deploy medical professionals who will help meet the health needs of thousands who live in small villages. This trip is intended for medical professionals and those who may not have a medical background or experience but have a heart to help address the needs of those who live in difficult circumstances. There is a need for pastors, evangelists, lay people, doctors, dentists, nurses, and people who care.

This mission trip will take place **August 20-29, 2017** (there may be a limited number of seats, so it would be wise to reserve your seat now). The total cost of the trip is **\$3,400.00** and the incremental payment schedule is included for those who will commit to fulfilling “The Great Commission” with Shalom on this trip. We will provide a mandatory four-hour intensive training program (date and location to be determined) to prepare and brief the team on our mission. Included in the cost is all training, airfare from Washington, DC to Kenya and return, taxes, ground transportation, food and housing. Visas are required for travel to Kenya and the cost of the visa is independent of the overall trip expense. For information regarding online visa application, visa cost, type of payment accepted, etc., please log onto the Embassy of Kenya website at www.KenyaEmbassy.org.

This trip promises to be a dynamite start in what we believe will be a mighty move of God in the lives of both the Kenyans and the missionaries traveling with Shalom. If you would like to participate on this trip, your mission volunteer application form is the first step towards confirming your intent to travel with us. **Please return your completed application with a copy of your passport, two passport size color photographs and your \$500.00 non-refundable deposit.** If you do not have a passport or if it has expired, please visit <http://travel.state.gov> to learn how to obtain or renew your passport. In addition, please logon to <http://www.cdc.gov> to get information regarding inoculations you will need to travel, or check with your doctor.

Payments should be made payable to Shalom Outreach, Inc. and mailed to the address above with a notation in the memo section identifying how these funds should be applied (**Kenya August 2017**). If you will be receiving donations for this trip, please have the funds sent directly to Shalom Outreach, Inc., so that your contributor will receive credit for the donation. **Note:** *any tax-deductible contributions made by third parties in excess of the cost of the trip will be sown back into the general operating funds of Shalom Outreach.*

You may adhere to the payment schedule below or establish your own. However, **it is mandatory that the \$500.00 non-refundable deposit be received by April 1, 2017 and a minimum of \$2,700.00 by July 1, 2017.**
