New York, NY - 2017
“OPERATION SPIRITUAL THUNDER”
July 20 – 25, 2017

Greetings Friends,

We are excited about having an opportunity to share with you the work that God is doing through our ministry partners. Our trip to New York represents a Samaria mission for many who join forces with those serving God in Harlem. This domestic mission is an exciting initiative in partnership with Bethel Gospel Assembly, New York, NY and is a pure urban ministry opportunity geared towards youth and young adults. The target group is between the ages of 15-27 coupled with those who have evangelistic gifting. The trip will require mandatory intensive training in evangelism and a passion to see the lost liberated from the dark downward pull of sin. Mature teachable believers are best suited for this mission.

The team will reside in a dormitory style guest house that segregates male on one floor, female on another with appropriate chaperones. Extensive evangelism training will be provided prior to their journey and reinforced by the staff of Bethel Gospel Assembly. These skilled trainers help our young adults through role-playing, “what if” scenarios, and the presentation of how to win a new life to Christ. This exciting mission often fills up quickly and those privileged to participate will never be the same! Find more information about our host church at www.bethelga.org.

This mission trip will take place **July 20 –25, 2017** (there may be a limited number of seats, so it would be wise to reserve your seat now). The total cost of the trip is **\$850.00** and the incremental payment schedule is included for those who will commit to fulfilling “The Great Commission” with Shalom on this trip. We will provide a four-hour intensive training program (date and location to be determined) to prepare and brief the team on our mission. Included in the cost is all training, travel to New York and return, taxes, ground transportation, food and housing.

This trip promises to be a dynamite start in what we believe will be a mighty move of God in the lives of both the people in New York and the missionaries traveling with Shalom. If you would like to participate on this trip, your mission volunteer application form is the first step towards confirming your intent to travel with us

Payments should be made payable to Shalom Outreach, Inc. and mailed to the address above with a notation in the memo section identifying how these funds should be applied (**New York July 2015**). If you will be receiving donations for this trip, please have the funds sent directly to Shalom Outreach, Inc., so that your contributor will receive credit for the donation. **Note:** any tax-deductible contributions made by third parties in excess of the cost of the trip will be sovn back into the general operating funds of Shalom Outreach.
